BUILDING INSPECTION

Meets Tuesday & Thursday, 6:30-9 p.m.

March 30 – April 13, 2010

Leestown Campus

Building A, Room 200

\$ 1 50 (Early Bird Registration by 3/23)

\$ 1 75 (After 3/23)

Building Code Fundamentals (12 Hours)

Participants will analyze and review Chapters 3, 5, and 6 of the 2007 KY Building Code. Discussion will include a review of the Use Group classifications and how they are utilized in the code book, the height and area limitations of buildings based on the construction type and building features, the 5 major construction types of the code and how these construction types effect building limitations and use. Participants should bring a copy of the 2006 International Building Code book to class.

Instruction by: Ric McNees, BCTC Adjunct Faculty/Dept. of Housing, Buildings, & Construction
